# Sun & Sea

A stylized graphic featuring the words 'Sun' and 'Sea' in a large, bold, sans-serif font, separated by an ampersand '&'. The text is centered and surrounded by two large, hand-drawn, wavy lines that resemble the sun's rays and the sea's surface, respectively. The lines are simple and elegant, with a slight shadow effect.

<sup>1</sup>  
SUNSCREEN BOSANOVA (t)

Hand it here, I need to rub my legs...  
'Cause later they'll peel and crack,  
And chap.

Hand it I will rub you...  
Otherwise, you'll be red as a lobster...

Hand it I will rub you...

<sup>2</sup>  
YOUNG MAN FROM  
THE VOLCANO COUPLE (t)

I flew to a Portuguese corrida –  
A short trip, just for fun.  
But then the pilot had to land the plane  
in London:  
So I called up my friends  
And stayed over for a couple of days.  
And from that day on,  
Lucas and I never been apart.

Not a single climatologist predicted  
a scenario like this.  
Maybe someone had a feeling – perhaps  
the bull?...

...perhaps the bull?

<sup>3</sup>  
VACATIONERS'  
CHORUS (t)

TODAY THEY HAVE RAISED  
THE RED AND YELLOW FLAG UP HIGH:  
THE WHIRLPOOLS OF THE SEA,  
DROP-OFFS,  
RIP-TIDES,  
UNDERTOWS.  
YOU'RE NOT ALLOWED  
TO WADE IN  
DEEPER THAN YOUR KNEES!

<sup>4</sup>  
SIREN'S ARIA (t)

The man I once married,  
My ex, he drowned in South-East Asia.  
He was the best of swimmers,  
On vacation with his girlfriend.  
To this very day, no one can understand how  
it could happen to him:  
Some say he was swimming out too far beyond  
the shore,  
And the deep waters took him in.  
Others, knowing him better,  
Claim he had suffered a cramp due to  
a magnesium deficiency...

5  
VACATIONERS' CHORUS (2)

YOU ARE STRONGLY ADVISED TO STAY  
ON SHORE,  
YOU SHOULD NOT LEAVE YOUR  
CHILDREN UNOBSERVED!  
JUST BUILD CASTLES IN THE SAND,  
WALK THE BEACH COLLECTING STONES,  
SHELLS, AMBER, AND BABY TEETH!...

6  
WEALTHY  
MOMMY'S SONG (1)

My boy is eight and a half  
And he has been swimming in  
The Black,  
The Yellow,  
The White,  
The Red,  
The Mediterranean,  
Aegean seas...  
He has already visited two of the world's  
great oceans,  
And we'll visit the remaining ones this year!

Two weeks ago, my husband took me diving  
in Australia.  
Two photographers swam after us – included in  
the price!  
Our little one stayed on shore together with  
our nanny...

We explored the coral forests,  
We climbed through their branches,  
It certainly tired us, such density!...

What a relief that the Great Barrier Reef has  
a restaurant and hotel!  
We sat down to sip our piña coladas –  
included in the price!  
They taste better under the water,  
Simply a paradise!

7  
CHANSON OF  
ADMIRATION (1)

What a sky, just look, so clear!  
Not a single cloud...  
What is there? – seagulls or terns?  
I can never tell...

O la vida  
La vida...

SONG OF EXHAUSTION.  
WORKAHOLIC'S SONG (1)

I really don't feel that  
I can let myself slow down,  
Because my colleagues will look down on me.  
They'll say I have no strength of will.  
And I'll become a loser in my own eyes.

Exhaustion, exhaustion, exhaustion,  
exhaustion...  
Exhaustion, exhaustion, exhaustion,  
exhaustion...

Exhaustion –  
I like to say it as a joke –  
It's like a mammoth,  
A nonexistent creature, gone extinct.  
Encyclopedias have it,  
But in life – a thing you'll never meet.

9  
CHANSON OF TOO  
MUCH SUN (2)

My eyelids are heavy,  
My head is dizzy,  
Light and empty body,  
There's no water left in the bottle.

MY EYELIDS ARE HEAVY,  
MY HEAD IS DIZZY,  
LIGHT AND EMPTY BODY,  
THERE'S NO WATER LEFT IN THE  
BOTTLE.

10  
DREAM

I'm a guest at the house of the author of  
this book.  
It's pleasant and comfy atmosphere, I feel  
like laughing.  
But all of a sudden, the host starts massaging  
his temples,  
Closing his eyes,  
He says: I don't feel too well, it's back again,  
it's time!  
Time for what? – I ask him, feeling concerned.  
And then he explains it all to me:  
I HAVE IN MY HEAD A TUMOR THE  
SIZE OF AN EGG,  
IT GIVES ME PAINS THAT I CAN  
HARDLY BEAR!  
I NEED TO EAT A HANDFUL OF SHRIMP,

AND ONLY THEN DOES THE SUFFERING  
END.  
I HAVE TO GET SOME SHRIMP, QUICKLY,  
TAKE ME TO A RESTAURANT,  
UP THERE, ON THE HILL, INSIDE  
THE CASTLE...

He starts to panic,  
I say: OK.  
Only wait, I say, I don't know how to drive.  
And wait, I say again, now getting angry:  
How can you eat shrimp when you are the  
ambassador of eating raw?  
You are the spokesman for uncooked,  
vegetarian food,  
How can you be such an impudent liar?  
You fraud!

I start to hit him with my fists, and wake  
up soaking in sweat –  
I've never had a stranger dream!

II  
PHILOSOPHER'S  
COMMENTARY (1)

Is it not a comical even grotesque situation:  
Ancient Persia, China, India –  
Some of the oldest civilizations in the world.  
A thousand years went by and we are  
Lying here on the beach,  
Snacking on super sweet dates imported  
from Iran,  
Playing a game of chess invented by  
Indian Brahmins,  
Wearing swimming suits made in the factories  
of China –  
Is this not a parody of the Silk Road?

12  
SONG OF COMPLAINT (1)

What's wrong with people – they come here  
with their dogs,  
Who leave shit on the beach, fleas on the sand!  
I come home from the shore, covered with bites,  
and my skin itching like mad.

What's wrong with people – they drink beer in  
the heat of the day!  
They spill it and it seeps into the sand,  
Then it smells like a slum-hole!

Which then plays a nice duet with bites of  
sandwich left behind –  
It feels like lying all day by a homeless man!

Recently, I stretched my blanket out – right on  
the old remains of smoked fish –  
It was all rotten skin and bones!  
I could smell the stench as I lay down.  
Turning on my stomach, a foreign body –  
A champagne cork – poking my ribs!  
What's wrong with people – is it so hard to  
walk to a trash bin, or what?

What's wrong with people – they come here  
with their dogs,  
Who leave shit on the beach, fleas on the sand!...

13  
VACATIONERS'  
CHORUS (3)

The colours of the sea and sky have changed!

THIS SEASON THE SEA IS AS GREEN AS  
THE FOREST!

14  
SIREN'S ARIA (2)

The great-great-great-grandmother of fish  
Passed on to her descendants the secrets of  
gill control:  
Every animal kingdom has its special privileges,  
Everything is wisely planned out, but  
humankind –  
Well, you don't have to look far –  
my aforementioned husband, my ex –  
Was so inclined to rash behavior.  
This mammal with limited lung power,  
Still tries so hard to go into the sea,  
To dive down deep:  
He wants to conquer and control what is not  
his to own...

Acidy waves,  
Ivory foam,  
Rocking the boats full of canned goods,  
tourists, fruits, and weapons.

Airplanes in the sky,  
Ships sailing the sea.

ACIDY WAVES,  
IVORY FOAM –  
AIRPLANES IN THE SKY,  
SHIPS SAILING THE SEA.

15  
THE VOLCANO COUPLE'S  
DISTANCE SONG (2)

- So what time in the morning is your flight?
- It's quarter past seven!
  
- So you need to be there before five...
- I am already getting sad...
  
- In the morning, I'll make an omelet... Then we'll see each other in a week...
- But that week seems so long...
  
- We should remember to get some gas!
- Can you rub my shoulders? They're burning.

16  
WEALTHY  
MOMMY'S SONG (2)

...we said we'd celebrate our son's birthday  
there in a year and a half!  
What an amazing sight!  
Those coral horns, that bleached, pallid  
whiteness...  
You have to see it, words cannot describe it!

...our baby boy will be ten in a year and a half!  
I want him to see the Great Barrier Reef with  
his own eyes!

My boy is eight and a half  
And he's already been swimming in  
The Black,  
The Yellow,  
The White,  
The Red,  
The Mediterranean,  
Aegean seas...  
He has already visited two of the world's  
great oceans,  
And we'll visit the remaining ones this year!

17  
PHILOSOPHER'S COMMENTARY (2)

The banana comes into being, ripens somewhere  
in South America,  
And then it ends up on the other side of the  
planet,  
So far away from home.  
It only existed to satisfy our hunger in one bite,  
To give us a feeling of bliss.

Serotonin from Ecuador – in our northern  
flatland,  
For any time of day or time of year...

18  
SONG OF COMPLAINT (2)

...ever since my childhood, smoked fish carries  
unpleasant associations:  
My grandmother used to make me eat smoked  
fish with mayonnaise for breakfast –  
Everyday, the same.  
A strange bird, now passed away.

Our farmhouse is full of grandmother's things,  
we didn't want them anymore at home:  
We're going out there next weekend,  
I'll carry out all the coats, and furs, and books  
into the sun.

Only that sun...  
One doesn't know what to expect...  
Even snow in summer wouldn't surprise me!  
Everything is out of joint:  
The beginning of May brought frost and snow  
And winter gives us buds and mushrooms...

You see, we had Christmas at our farmhouse,  
But this year, there was no frost, no snow,  
it felt like it could be Easter!

Unusual, very unusual, it made for a very  
strange mood:  
In the morning, I rose before everyone else  
And I went into the woods –  
There was refreshing green moss,  
Just like in springtime!  
And as I walked the path, there beyond the well,  
I found three chanterelles!  
The end of December, how come?

As granny liked to say: 'The end of the world!'

19  
CHANSON OF ADMIRATION (3)

Rose-colored dresses flutter:  
Jellyfish dance along in pairs –  
With emerald-colored bags,  
Bottles and red bottle-caps.

O the sea never had so much color!

SONG OF EXHAUSTION.  
WORKOHOLIC'S SONG (2)

I finally learned to stay calm,  
Not to take my state of mind home.  
And at work there are unwritten rules, we could  
call them etiquette:  
Don't complain when things get difficult,  
When you are lacking sleep,  
When you are under the weather.  
Even if you run out of gas – just keep smiling...

But suppressed emotions, I noticed, don't  
disappear so easily,  
They get knotted up in your psyche:  
Suppressed negativity finds a way out  
unexpectedly,  
Like lava.  
I feels so bad when I can't control myself,  
And I lose my cool in public.  
Then I feel sorry for myself, guilty,  
I feel ashamed...

LIKE LAVA, LIKE LAVA, LIKE LAVA,  
LIKE LAVA...  
EXHAUSTION, EXHAUSTION,  
EXHAUSTION, EXHAUSTION,  
IT'S LIKE A MAMMOTH –  
A NON-EXISTENT CREATURE GONE  
EXTINCT:  
ENCYCLOPEDIAS, THE ANNALS OF  
HISTORY– HAVE IT,  
BUT IN LIFE – A THING YOU'LL NEVER  
MEET  
YOU'LL NEVER MEET  
YOU'LL NEVER MEET...

VACATION IS WHAT KILLED  
THE MAMMOTH –  
OFFICIALLY, THE CREATURE DOES  
NOT EXIST, BUT ACTUALLY,  
IT'S A SPECIES THAT BREEDS AT  
THE HIGHEST RATE.

AFTER VACATION,  
YOUR HAIR SHINES,  
YOUR EYES GLITTER,  
EVERYTHING IS FINE.

After vacation,  
Your hair shines,  
Your eyes glitter,  
Everything is fine.

THE STORY OF THE VOLCANO

PEOPLE HAVE BEEN PLANNING  
ALL YEAR LONG THEIR TEN DAYS OFF  
THEIR VACATION,  
WHICH THEY ONLY TAKE ONCE  
EVERY YEAR.  
NOW SITTING ALL SWEATY IN  
THE AIRPORT WAITING ROOM –  
GOLDEN HOT SAND EXISTS ONLY  
IN THE BROCHURE.

THE VOLCANO ERUPTED UNEXPECTEDLY,  
CONTRARY TO ALL THE DIAGRAMS  
AND TIME TABLES –  
NOT A SINGLE CLIMATOLOGIST  
PREDICTED A SCENARIO LIKE THIS.

BEFORE IT REACHED THE AIRPORT,  
THE AIRPLANE WAS CAUGHT UP  
IN THE BLACK CLOUD.  
WHEN ASHES ARE DRAWN INTO  
THE HOT ENGINE,  
THEY BECOME GLASS:  
ASHES, AEROPLANES,  
ASHES, AEROPLANES,  
ASHES, AEROPLANES...

THE VOLCANO COUPLE'S  
LOVE SONG (3)

I stayed over for a couple of days,  
Until the panic and the ashes diminished.  
Until airport paralysis came to an end.  
My friend here introduced me to his brother:  
– We are together!...  
–We are together!...

3D SISTERS' SONG

– I cried so much when I learned that corals  
will be gone.  
And together with the Great Barrier Reef  
the fish would go extinct –  
From sharks to the smallest fry.  
– I cried so much when I learned bees  
are massively falling from the sky,  
And with them all the world's plant life will die.  
– I cried so much when I understood that  
I am mortal,  
That my body will one day get old and wither.  
And I won't see, or feel, or smell ever again...

– My mother left a 3D printer turned on.

And the machine began to print me out.  
When my body dies, I will remain,  
In an empty planet without birds, animals  
and corals.  
Yet with the press of a single button,  
I will remake this world again:  
– 3D corals never fade away!  
– 3D animals never lose their horns!  
– 3D food doesn't have a price!  
– 3D me lives forever!

I will print you out, mother,  
When I need you,  
My sister too, I will print you out,  
When I miss you dearly.  
All of us together will print out some meat,  
And shrimp as well,  
When we want something savoury to eat.  
And we will print out the bees,  
So that at least some sweetness is left.

3D CORALS NEVER FADE AWAY!  
3D ANIMALS NEVER LOSE THEIR  
HORNS!  
3D FOOD DOESN'T HAVE A PRICE!  
3D ME LIVES FOREVER!

23  
SUNSCREEN BOSANOVA (2)

Will you cover my back with it, please?...  
I bought us some new sunscreen...  
What does it say?...  
...let's read it...  
It should be good enough...  
Hand me my glasses...  
Look in the other bag there...

*Protection for hypersensitive skin...*  
*Schutz für überempfindliche Haut...*  
*Захист від знепчумливої шкіри...*  
*Protezione per la pelle ipersensibile...*

24  
VACATIONERS' CHORUS (4)

THIS YEAR THE SEA IS AS GREEN AS  
A FOREST:  
EUTROPHICATION!  
BOTANICAL GARDENS ARE  
FLOURISHING IN THE SEA –  
THE WATER BLOOMS.  
OUR BODIES ARE COVERED WITH  
A SLIPPERY GREEN FLEECE,

OUR SWIMSUITS ARE FILLING UP  
WITH ALGAE,  
EMPTY SNAIL HOMES, SWOLLEN  
SEAWEED, FISH REMAINS,  
AND ALL KINDS OF SHELLS...
